We appreciate your loyal business. Here at Submersion SCUBA most of our business is derived from your referrals and word of mouth. So we would like to reward you for sharing your good experience here with others. When you send someone to us just make sure they let us know how they heard about Submersion SCUBA and we will credit your account with that appropriate amount of points for the course that was taken.

We will keep track of your referrals for you in your student record or you can find a referral form located in our students download section to track your own. Once you have accumulated enough points give us a call and we will verify that your referrals have enrolled and completed the class and reward you with a free course.
